To whom it may concern:

It is my great pleasure to write a recommendation letter on behalf of Consolidated Firearms Services, owned by Mark Donnelly. We have been using Mark's services for about two years now.

Mark has been great to work with. On short notice Mark will come right out to our department to inventory and collect our guns and ammo that we need to put into storage. When Mark is through he will give a written receipt for each item that he takes. Mark also has a great facility in Hudson, where he safely stores and protects each firearm that he takes. On many occasions Mark has even gone out of his way to help us with our own firearm arm issues that have occurred within our department. For the previous reasons listed, I highly recommend Consolidated Firearms Services to any department that needs to store their firearms. Mark has been a pleasure to work with and he won't disappoint you.

Sincerely,

Sgt. Ronald Ney
